Masterclass

Directly after the Breakfast Forum, Chris Ftinogiannis, Director AEP Health Group will run a three hour masterclass at the same venue on how to develop a wellness program in the workplace.

Chris has over 16 years experience as a Clinical Exercise Physiologist and established AEP Health Group with Reuben Vanderzalm in 2006. Chris leads AEP Health Group Workhealth division with particular interest in health assessments and rehabilitation following work related injuries and work hardening programs.

In this masterclass you will discover all you need to create a Wellness program in your workplace. From where to start to measurement and evaluation.

We encourage all breakfast forum delegates to attend this critical masterclass.

Topic: Developing a wellness program in your workplace
